

A Leadership Update from Stars

Dear Stars Community,

On behalf of the Stars Board of Directors, we have an important leadership update to share. After just over three years of service, Matumaini Taylor has concluded her time as Executive Director of Stars. We are grateful for her contributions during her time at Stars and wish her well in her future endeavors.

The Board has appointed Unitha Muhammad to serve as Interim Executive Director. As a nonprofit executive and organizational leader with more than 25 years of experience, Unitha brings extensive expertise in executive leadership, organizational development, strategic planning, fund development, and community partnerships. Since joining Stars in February 2025, she has become an integral member of our team, demonstrating strong leadership and a deep commitment to our mission. The Board has great confidence in her leadership.

Stars remains firmly focused on our mission of affirming, equipping, and emboldening young people to pursue a life of purpose, service, and meaning. Our programs and services continue without interruption, a testament to our remarkable staff and the many partners, supporters, and volunteers who make this work possible.

As Stars enters its next chapter, we move forward with confidence in the strength and resilience of our team and optimism for the future. We remain deeply committed to the students, families, and communities we are privileged to serve and carrying forward the strong and impactful work of Stars.

Thank you for your continued support of Stars.
With gratitude,

Stars Board of Directors
